"And we all, who with unveiled faces contemplate the Lord's glory, are being transformed into his image with ever-increasing glory, which comes from the Lord, who is the Spirit"

"At the end of the day church services are all about life change. If people drive away on a Sunday morning no different from when they came in, we haven't accomplished anything that matters. We're aiming for an enormous goal. Whenever I see or hear about actual growth in *real people*, I rediscover the wonder of Sundays. Our God is in the business of changing human hearts. For reasons we may never fully comprehend until heaven, he has chosen to partner with the likes of us. The hour on Sunday can be a vital part of bringing people into a genuine relationship with their creator. We are called to prepare services that have the greatest potential for human beings to quiet their souls, to feel emotions deeply, and to choose growth and change.

What a privilege and responsibility we hold!"

Worship Ministries

How can I be involved

West View
Methodist Church

"To worship is to quicken the conscience by the holiness of God, to feed the mind with the truth of God, to purge the imagination by the beauty of God, to open the heart to the love of God, to devote the will to the purpose of God" **William Temple**

Welcome Teams and Ushering

Do you have the gift of hospitality?

One of the most crucial aspects of worship is arriving into a place of love and belonging. You can help people feel welcome by greeting at the door and serving tea after the service.

Contact Jacques.r@telkomsa.net

Musicians and Teams

Do you have a musical gift?

We want to develop new worship teams at West View. If you can play an instrument or sing, God may be calling you to use that talent for God's glory! We also need musicians for children's and youth church programmes.

Communion Stewards

Do you have the gift of a serving heart?

Every Sunday we share in the sacrament of Holy Communion. Dedicated volunteers come and set out the bread and the cup as a blessing to all who will receive.

Our Worship Services on Sundays are integral to the ministry of West View, giving an opportunity for people to experience meaningful encounters with God that lead to real life change and a deep sense of community

Creare

We are excited to be a host church for **Creare Ministry Training** (www.crearedream.com) this year. Creare is made up of a team of talented young people giving a year of their lives to provide weekly lessons (all ages) in dance, drama, art and musical instruments.

Sound Ministry

Has God blessed you with technical skills and a good ear?

No worship team is complete without a sound technician behind the desk making sure that everyone can hear the good news proclaimed and the worship songs sung! All training is provided.

Multimedia Ministry

Are you passionate about the use of multimedia in services?

One valuable way to serve at West View is to operate our "Easyworship" software which projects words and images onto the screen. We also have opportunities to be involved in film production!
