“At the end of the day church services are all about life change. If people drive away on a Sunday morning no different from when they came in, we haven’t accomplished anything that matters.

We’re aiming for an enormous goal.

Whenever I see or hear about actual growth in *real people*, I rediscover the wonder of Sundays. Our God is in the business of changing human hearts.

For reasons we may never fully comprehend until heaven, he has chosen to partner with the likes of us. The hour on Sunday can be a vital part of bringing people into a genuine relationship with their creator. We are called to prepare services that have the greatest potential for human beings to quiet their souls, to feel emotions deeply, and to choose growth and change.

What a privilege and responsibility we hold!”

Nancy Beach
An Hour on Sunday (Willow Creek)

“To worship is to quicken the conscience by the holiness of God, to feed the mind with the truth of God, to purge the Imagination by the beauty of God, to open the heart to the love of God, to devote the will to the purpose of God”

William Temple

Worship Ministries

How can I be involved

Our Worship Services on Sundays are integral to the ministry of West View, giving an opportunity for people to experience meaningful encounters with God that lead to real life change and a deep sense of community.

Many people help prepare for the service during the week as well as serving on Sundays to ensure the smooth running of services.

During the week teams of volunteers prepare all the details from folding bulletins and preparing the multimedia slides to arranging the flowers that beautify the sanctuary.

Before the service the communion is prepared and ushers welcome visitors into a place of belonging. Technical teams ensure that the multimedia, sound and lighting are optimal while worship bands and scripture readers take part in the service.

Lastly a team of volunteers serve tea after the service and assist with the cleaning up.

Training and support is provided for all volunteers. Please contact Nicola to discuss where and how God is calling you to use your talents.

Welcome Teams and Ushering

Do you have the gift of hospitality?

One of the most crucial aspects of worship is arriving into a place of love and belonging. You can help people feel welcome by greeting at the door and serving tea after the service.

Communion Stewards

Do you have a serving heart?

Every Sunday we share in the sacrament of Holy Communion. Dedicated volunteers come and set out the bread and the cup as a blessing to all who will receive.

Musicians and Teams

Do you have a musical gift?

We want to develop new worship teams. If you can play an instrument or sing, God may be calling you to use that talent for God's glory! We also need musicians for children's & youth church programmes

Sound Ministry

Has God blessed you with technical skills and a good ear?

No worship team is complete without a sound technician behind the desk making sure that everyone can hear the good news proclaimed and the worship songs sung! All training is provided.

Scripture Readers

Do you have a talent for bringing scripture to life?

Members of the congregation participate in the service by reading the passage of scripture before the sermon.

Multimedia Ministry

Are you passionate about the use of multimedia in services?

We use "Easyworship" software which projects words and images onto the screen. We also have opportunities to be involved in film production! All training is provided.
